

BOARD CHARTER

NAVARRE MINERALS LIMITED

ACN 125 140 105

1. INTRODUCTION

- 1.1. The board of directors (**Board**) of Navarre Minerals Limited ACN 125 140 105 (**Company**) has adopted this Board Charter (**Charter**) to outline the manner in which its constitutional powers and responsibilities will be exercised and discharged, having regard to principles of good corporate governance and applicable laws.
- 1.2. This Charter includes an overview of:
 - i. the composition of the Board;
 - ii. the roles and responsibilities of the Board;
 - iii. the relationship and interaction between the Board and management and the Board's ability to delegate its authority to management; and
 - iv. the Board process.
- 1.3. This Board Charter and the charters adopted by the Board for its standing Committees have been prepared and adopted on the basis that strong corporate governance can add to the performance of the Company, create shareholder value and engender the confidence of the investment market.
- 1.4. This Charter is to be reviewed by the Board as required and at least annually.

2. BOARD COMPOSITION

BOARD COMPOSITION AND SIZE

- 2.1. Directors are appointed by the Board and elected or re-elected by the shareholders. Non-executive directors are engaged through a letter of appointment.
- 2.2. The Board, together with the Nomination and Remuneration Committee, determines the size and composition of the Board, subject to the terms of the Company's constitution.
- 2.3. It is intended that the Board should comprise of at least 3 directors of which a majority are independent, non-executive directors and comprise of directors with a broad range of skills, expertise and experience from a diverse range of backgrounds.
- 2.4. The Board, together with the Nomination and Remuneration Committee, will review the skills, experience, expertise and diversity represented by the directors on the Board and determine

whether the composition and mix remain appropriate, having regard to the Company's strategy and subject to the limitations imposed by the Constitution.

DIRECTOR INDEPENDENCE AND TENURE

- 2.5. The Board only considers a director to be independent where he or she is free of any interest, position, association or relationship that might influence, or might reasonably be perceived to influence, in a material respect, his or her capacity to bring independent judgment to bear on issues before the Board and to act in the best interests of the Company and its shareholders as a whole. The Board has adopted a definition of independence based on that set out in Box 2.3 of the ASX Corporate Governance Council's Principles and Recommendations (4th edition) (Refer Annexure 1).
- 2.6. The Board does not believe that it should establish an arbitrary limit on tenure. While tenure limits can help to ensure that there are fresh ideas and viewpoints available to the Board, they hold the disadvantage of losing the contribution of directors who have been able to develop, over a period of time, increasing insight into the Company and its operations. Accordingly, tenure is just one of the many factors that the Board takes into account when assessing the independence and ongoing contribution of a director in the context of the overall Board process.
- 2.7. The Board regularly reviews the independence of each non-executive director in light of information relevant to this assessment as disclosed by each non-executive director to the Board.
- 2.8. The Board discloses the names of the directors it considers to be independent directors.

ANNEXURE 1 – INDEPENDENCE OF DIRECTORS

1. INDEPENDENCE GUIDELINES

Without limiting the Board’s discretion, the Board has adopted the following guidelines to assist in considering the independence of directors. In general, directors will be considered to be “independent” if they:

- (a) are not employed in an executive capacity by the Company or another group member, or, if they have been previously employed in an executive capacity by the Company or another group member, there has been a period of at least 3 years between ceasing such employment and serving on the Board;
- (b) do not receive performance-based remuneration from the Company or participate in an employee incentive scheme of the Company;
- (c) have not within the last 3 years been a partner, director or senior employee of a provider of material professional services to the Company or another group member;
- (d) have not within the last 3 years been in a material business relationship (eg as a professional advisor, consultant, supplier or customer) with the Company or other group member or an officer of or otherwise associated directly or indirectly with someone with such relationship;
- (e) are not a substantial shareholder of the Company, represented a substantial shareholder of the Company, an officer of, or otherwise associated directly or indirectly with, a substantial shareholder of the Company;
- (f) have no material contractual relationship with the Company or another group member, other than as a director of the Company;
- (g) do not have close family ties with any person who falls within any of the categories described above;
- (h) have not been a director of the Company for such a period that his or her independence may have been compromised; and
- (i) are free from any other interest, position, association or relationship that might influence, or reasonably be perceived to influence, in a material respect the director’s

capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of the Company and its shareholders as a whole.

2. MATERIALITY THRESHOLDS

The Board will consider the materiality of the directors' interests, position, association or relationship for the purposes of determining "independence" on a case-by-case basis, having regard to both quantitative and qualitative principles. Without limiting the Board's discretion in this regard, the Board has adopted the following guidelines:

- (a) the Board will determine the appropriate base to apply (eg revenue, equity or expenses) in the context of each situation;
- (b) in general, the Board will consider a holding of 5% or more of the Company's shares to be material;
- (c) in general, the Board will consider an affiliation with a business which accounts for less than 5% of the relevant base to be immaterial for the purposes of determining independence. However, where this threshold is exceeded, the materiality of the particular circumstance with respect to the independence of the particular director should be reviewed by the Board; and
- (d) overriding the quantitative assessment is the qualitative assessment. Specifically, the Board will consider whether there are any factors or considerations which may mean that the director's interest, business or relationship could, or could reasonably be perceived to, materially interfere with the director's ability to act in the best interests of the Company.
